Courier & Parcel

Zenith Carex Bulk-Mail Service (Zenith Bulk Mails)

Our B-Mail Service is a specialized solution for bulk document delivery, ideal for:

- Corporate communications: annual reports, share offer forms, and share certificates
- Business correspondence: customer invoices, direct mail, and event notices

This service is designed to efficiently handle large volumes of documents, ensuring timely and secure delivery to your recipients.

Special Projects

- We offer customized Logistics Solutions for Unique Delivery Needs.
- We cater to customers requiring specialized delivery and distribution services for goods and products within a city or nationwide. Our tailored solutions ensure efficient, secure, and timely delivery of your specialized shipments.

Courier & Parcel

International Document and Parcel Delivery

Secure and Efficient Global Shipping. We provide reliable international delivery of business documents, parcels, and packages via our express network partners. Our service includes:

- Fast and secure transportation
- Proof of delivery for added peace of mind
- Global reach with precise tracking and monitoring.

Zenith Carex Super Home Delivery Services:

Convenient and Fast In-City Delivery. Get your supermarket and retail purchases delivered right to your doorstep within 2-6 hours. Our Super Home Delivery Service ensures:

- Fast and reliable delivery
- Convenience and flexibility
- Easy shopping experience within the city

Courier & Parcel

Office Mail Room Management

Our secure and Efficient Mail room Solutions is designed for organizations with high-volume, confidential mail traffic, our Office Mail Room Management service provides:

- A dedicated, Zenith Carex-employed mail officer on the payroll of Zenith Carex to manage your office's mailroom operations if needed.
- Collection and sorting of mail from all departments and units with outmost confidentiality.
- Timely dispatch and tracking of mail and parcels
- Management of returns, acknowledgments, and correspondence related to dispatched items
- Specialized support for sensitive or high-priority mail, such as NEITI-related communications

Student Express

Student Parcel Delivery Package is a unique and convenient parcel delivery solution specifically designed for students. For a one-time registration fee of 5,000, students can enjoy a year-round parcel delivery service, sending and receiving packages from anywhere in Nigeria directly to their schools, and from school-home. This innovative package offers several benefits:

- Reduced risk: Avoid the risks associated with using unregistered courier services.
- Convenience: Parents, guardians, and friends can easily send items to their loved ones, with assurance of safe delivery.
- Ease of use: Students can receive parcels directly in their schools, eliminating the need for third-party collection points.

Super Benefits

- **Proof of Delivery (POD):** We provide a complimentary proof of delivery for all mails, parcels, and shipments delivered within the requested timeframe. This ensures transparency and accountability in our delivery process.
- **Flexible Payment Options with Credit Facilities:** We understand that cash flow management, and payment procedures is crucial for businesses. To support our reputable clients, we offer credit facilities on request and by special arrangement. This benefit provides a payment grace period of 30 to 90 days, allowing you to manage your finances more efficiently.
- **Priority Customer Support:** Dedicated account managers and 24/7 customer support ensure prompt resolution of queries and concerns.
- **Real-time Tracking and Monitoring:** Stay updated on the status of your shipments with our advanced tracking system, providing real-time updates and notifications.
- **Customized Logistics Solutions:** Our team of experts works closely with you to design tailored logistics solutions that meet your unique business needs.
- **Proactive Shipment Protection:** We take proactive measures to protect your shipments from damage, loss, or theft, ensuring your goods arrive safely and securely.
- **Sustainability Initiatives:** We prioritize environmentally friendly practices, reducing our carbon footprint and promoting sustainable logistics solutions.
- **Technology Integration:** Our cutting-edge technology platform seamlessly integrates with your systems, streamlining logistics operations and enhancing efficiency.
- **Compliance and Regulatory Expertise:** Our team ensures compliance with all relevant regulations, laws, and industry standards, giving you peace of mind. **Insurance and Risk Management:** We offer comprehensive insurance options and risk management strategies to protect your goods and business interests.
- **Dedicated Capacity and Equipment:** We allocate dedicated capacity and equipment to ensure your shipments receive priority attention and timely delivery.

Warehousing & Cold Chain Management

Cold Chain Warehousing

Secure and Temperature-Controlled Storage for Pharmaceuticals: We provide state-of-the-art cold chain warehousing facilities for the storage of temperature-sensitive pharmaceutical products at a consistent temperature range of 2-8°C. Our warehouses are strategically located

- Abuja
- Lagos
- Port Harcourt

Our cold chain warehouses are designed to maintain the integrity and potency of your medical products, ensuring they remain effective and safe for use.

General Goods Warehousing

Secure and Efficient Storage for Dry Goods and Products. In addition to our cold chain facilities, we also offer warehousing services for dry goods and products in our state-of-the-art facilities

- Abuja
- Lagos
- Port Harcourt

With an upcoming facility in Kano, we are expanding our reach to better serve our clients.

Whether you need to store raw materials, finished goods, or equipment, our general goods warehousing services ensure your products are safe, secure, and readily available when you need them.

Warehousing & Cold Chain Management

Our Storage

Our warehousing and cold chain management services are designed to provide you with a seamless and efficient storage experience, ensuring the integrity and quality of your products with the following:

- **Secure Storage:** Our warehouses are equipped with state-of-the-art security systems, including CCTV cameras, alarms, and 24/7 monitoring.
- **Inventory Management:** Our experienced team provides accurate and efficient inventory management, including receiving, storing, and shipping.
- **Customized Storage Solutions:** We offer tailored storage solutions to meet your specific needs, including palletized storage, bulk storage, and racked storage.
- **Value-Added Services:** Our warehouses offer a range of value-added services, including labeling, packaging, and kitting.
